Andhra Pradesh State health system has been built over time, to provide equitable, affordable and guaranteed health services to the needy both in rural and urban areas. The ASHAS are performing in the areas of registration of pregnancy, antenatal checkups, institutional delivery, immunization, post natal visits, Home Based New Born Care, referral of SAM cases; promoting spacing in birth, VHSNC meetings, ASHA Day, NCD screening, VHIND, communicable disease notification etc. The ASHAS are being paid the remuneration as per the performance for various services under NHM. There are 43,046 ASHAS in the State of A.P. and ASHAS get an average of Rs.3000/- per month based on the performance. In the meeting with the ASHAS, the Government have agreed to enhance their incentives based on their performance. It was agreed to link this enhancement as performance based incentive.

The remuneration and performance based incentives to the ASHAS is worked out to be Rs.8,600. However, since all villages will not have all of the above activities, it is proposed to agree to enhance the performance based incentive to ASHA workers to a maximum ceiling limit of Rs.6,000 per month. ASHA soft is also ready and can be installed in the tabs of ANMs as well of ASHAS. The overall financial implication of enhancement of performance based incentive to a maximum of Rs. 6,000 will be Rs.258.27 crores annually. And Rs.105 crores is already budgeted under NHM. Rs.153 crores would be the additional annual budget required to meet the expenditure. Since this would be implemented from August, actual additional budget requirement for the current financial year would be around 100 crores. And Rs.25 crores would be required if it is decided to give TABS to all the ASHAS.

As stated above, to encourage the ASHAS and to improve health management system, in particular rural areas, the Government have decided to fix the Remuneration of Rs.3,000/- per month along with the performance based incentives to ASHAS, as follows:

1) To give smart phones to all ASHAS
2) To give Rs.3,000 as fixed honorarium in addition to enhanced performance based incentive which is worked out to Rs. 8600 to a maximum ceiling of Rs 3,000 per month. Thus a maximum remuneration of Rs. 6,000 per month.
3) To give preference to ASHAS those who have ANM qualification during recruitment of ANMs.
4) To extend benefit of Chandranna Bheema Yojana to ASHAS family
5) To give white Ration Card to all eligible ASHAS family
6) To extend NTRVS to all eligible ASHA family
7) To retire all ASHAS who have completed 60 years and cover them under the old age pension.
8) To extend the enhanced remuneration benefit to ASHAS from 01- 08-2018 by DBT through ASHA SOFT which will be linked to ANM DIGI and to ensure the payment of remuneration before the 5th of every month.
