It is necessary to approve proposal of the amendments to the AP Market Committee employees (Pension – Cum - Gratuity) Rules, 1980 issued in G.O.Ms.No. 444 A&C (Agri.IV) dt.18.08.1980 and G.O.Ms. No. 262 A&C(MKTG.II) Dept., dt.09.10.2001 (Pension benefits to CMF Employees) for the development of Software applications for online payment of pensions to the Pensioners under AMC & CMF Services in the Agricultural Marketing Department. Some of the Agricultural Market Committees did not have sufficient cash balances even to pay their salaries, pensions etc. Some Agricultural Market Committees are paying pensions and salaries irregularly due to non availability of Chairman for counter signature on the cheque and reimbursement of pensions from the Office of the Commissioner & Director of Agricultural Marketing, Andhra Pradesh to concerned Agricultural Market Committees in the state is a laborious process. Direct payment of pensions through online system from Office of the Commissioner & Director of Agricultural Marketing, Andhra Pradesh is proper and timely payments can be expected and also unnecessary correspondence in respect of reimbursement of pensions does not involve. Online system of payment of pensions from Office of the Commissioner & Director of Agricultural Marketing, Andhra Pradesh to the concerned pensioner’s bank accounts is the best method in all aspects on par with Government Pensioners. Keeping in view of the reasons and the request of retired employees association in the state of the Market Committee Employees the Special Commissioner and Director of
Agricultural Marketing has requested the Government for permission to introduce the online payment to the pensioners of Agricultural Market Committee and CMF Service directly from the fund maintained by the Director of Marketing instead of payment from Agricultural Market Committee.

After bifurcation of the AP State, 17657 APSP posts of different categories from PC to RI were apportioned in the ratio of 58.32 : 41.68 between the state of A.P. & Telangana among 17 erstwhile APSP Battalions.

2. Among the 17 Battalions, Nine (09) Bns have been allocated to Telangana and Eight (8) Bns have been allocated to AP State. The Eight (8) Bns of Andhra Pradesh currently have only 8209 posts, as against the allocation of 10,297 posts by GoI. Hence, there is a deficit of 2088 executive posts and 4 medical posts. Further 3228 personnel of various categories from RI to PC have reported in APSP Bns from Telangana in final bifurcation and 355 personnel were relieved from Andhra Pradesh to Telangana. The personnel who reported in AP have been adjusted and posted in the existing vacancies in the Eight (8) APSP Bns and in various deputation organizations as there were a large number of vacancies.

3. The DGP has stated that there is a need for administrative sanction for utilization of 2092 (2088+4 Medical) posts and distributing them among the Eight (8) APSP Bns, SAR CPL & APSP HQs. Direct recruitment for these posts will not be taken up now, due to financial constraints.

4.
