PRINCIPAL SECRETARY TO GOVERNMENT

Hon'ble Minister (I&PR)
PRESS NOTE

Vijayawada Airport has been accorded international status by Ministry of Civil Aviation, Govt. of India, during 2017. Government of Andhra Pradesh have been requesting Govt. of India for starting international flights from the new capital of Vijayawada. But, however, no flights have been started till date. Therefore, Government of AP have taken the initiative to start international flights from Vijayawada to Singapore in the first phase and have invited operators to bid for starting the above flights with VGF support from Govt. of AP. In response to the bids, Indigo have come forward for starting the above flights twice a week from Vijayawada to Singapore and back. Government have approved the proposal in the Cabinet meeting held today and Indigo will start the flights from October, 2018.

Title: Ratification in fixing rate for additional Land of 56.63 Acres allotted to M/s. Apollo Tyres Ltd.,

Decision : Ratification in having issued orders vide G.O.Ms.No.98, Ind & Com (Infra) Dept, dt.23.08.2018 towards confirming the cost of land as Rs.11.00 Lakhs per Acre instead of Rs.14.03 Lakhs per Acre proposed by APIIC Ltd., for the additional extent of 56.63 Acs under UDL category at I.P., Chinapanduru (V), Varadaihapalem (M) in Chittoor Dist in favour of M/s. Apollo Tyres Ltd., for establishment of Modern and State of Art Tyre Manufacturing Plant.

Major Impact :

Investment : Total investment in the project will be Rs.4,500.00 Crores in 3rd Phase by the end of 2026.

Employment: Will generate the employment for about 1,200 persons in 3rd Phase by the end of 2026.

District : Chittoor District.
Progress if already running: New Project.

S.SOLOME AROKIAARAJ
SECRETARY TO GOVERNMENT & CIP
GOVERNMENT OF ANDHRA PRADESH
INFORMATION TECHNOLOGY, ELECTRONICS & COMMUNICATIONS
DEPARTMENT

Department: Information Technology, Electronics and Communications Department
Date of decision: August, 2018
Headline (Subject): The State of Andhra Pradesh extends incentives to Electronics Manufacturing Clusters (EMC) developers and ultra-mega projects to promote electronics industry in the State

Addendum to Andhra Pradesh Electronics Policy 2014-2020

Decision:

As part of its vision to attract electronics companies to the State, Andhra Pradesh has already set up three (3) EMCs under Government of India’s (GoI) EMC Scheme. However, the GoI EMC Scheme is no longer operational, and therefore, it has become imperative for GoAP to extend incentives to developers of EMCs and subsequently a need for amendment to the existing policy has arisen. Through this addendum, GoAP aims to develop additional EMCs spread over nearly 6,000 acres of land, creating 10 lakh jobs by 2023.

New incentives available to promoters of EMCs include reimbursement of 100% of land conversion charges in converting agricultural land to industrial land, financial assistance up to 30% of the project cost, and eligibility to claim incentives under GoI schemes. Further, ultra-mega projects will be allowed to claim 100% SGST reimbursement for a period of 15 years, or alternatively claim 1% of revenue in a given financial year as incentive for a period of 15 years, from date of commencement of operations. The policy continues to offer incentives available earlier as per the Electronics Policy to companies setting up operations in the State.
Major impact:

The benefits resulting from the amendment to the policy are expected to far outweigh the cost of subsidizing and incentivizing electronics companies and EMC developers. A detailed financial analysis performed for a period of five (5) years pits the revenue at approximately 11 times that of the estimated expense. The total direct and indirect benefits of the policy are expected to amount to INR 5,641.1 Cr. as against a cost of INR 500 Cr. to the State.

The addendum to the Electronics Policy 2014 -2020 is expected to have a lasting positive effect on the State’s ability to create an electronics ecosystem that can rival the best ecosystems in the world and thereby help the state of Andhra Pradesh accomplish its vision to become one among the top 3 states in the country by 2022, the top state in the country in development and happiness by 2029, and a preferred global investment destination by 2050.

Districts covered:

Districts more likely to see the benefits of the policy are Chittoor, Anantapur, and Visakhapatnam.

GOVERNMENT OF ANDHRA PRADESH
INFORMATION TECHNOLOGY, ELECTRONICS & COMMUNICATIONS
DEPARTMENT

Department: Information Technology, Electronics and Communications Department
Date of decision: , 2018

Headline (Subject): Approval for creating International Institute of Digital Technologies (IIDT) as a Section 8 Company and sanction an amount of Rs. 97.95 Cr to IT, E&C Department towards Capital and Operational Expenditure for the next two Financial Years i.e. 2019-20 & 2020-21.

Decision: The Cabinet has approved IIDT to register as a Section-8 Company.

Major impact:

IIDT with a vision to become an ever-learning, world-leading institution that brings together the best minds and futuristic technologies for developing a new class of designers, engineers, scientists, entrepreneurs and managers who can straddle the physical and digital worlds with ease. IIDT Section 8 Company makes the state of Andhra Pradesh a pioneer in India in establishing such first of its kind institution.

IIDT will focus to develop a digital-ready workforce, institutionalize digital research and deliver industry-relevant content through creative and collaborative models of pedagogy (global and strategic partnerships with both business and academic institutions) to address current challenges and emerging problems. IIDT will ensure that India is empowered with the niche emerging technologies that will rule the industry in the coming decade.

K VIJAYANAND, IAS
PRINCIPAL SECRETARY TO THE GOVERNMENT
INFORMATION TECHNOLOGY, ELECTRONICS
& COMMUNICATIONS
Introduction:

The Government of Andhra Pradesh, under the visionary leadership of Hon'ble Chief Minister, realized the need and potential to establish a world class institute to impart various aspects of Digital Technology education and to provide for the next wave of Digital skills in India. Accordingly, GoAP vide G.O.Ms. No. 15 ITE&C (Admn.) Dept. dated 30-06-2016 ordered APEITA to set up an institution in the name and style of International Institute of Digital Technologies (IIDT) in Tirupati.

IIDT was established in 2016 with a vision to become an ever-learning, world-leading institution that brings together the best minds and futuristic technologies. IIDT will develop a digital-ready workforce, institutionalize digital research and deliver industry-relevant content through creative and collaborative models of pedagogy to address current challenges and emerging problems.

In January 2017, IIDT launched two tailor-made, 11-month Post Graduate Programs (PGP) with a total intake of 51 students. PGP in Cyber Security and PGP in Business Analytics were offered with Gujarat Forensic Science University (GFSU) and Praxis Business School as Knowledge Partners respectively. IIDT witnessed successful placements of all 51 students from the first batch. The second & third batchfor both courses commenced in February 2018 and August 2018 respectively with a total intake of 132 students.

In order to elevate the institution's stature globally, IIDT is proposed to be transformed into a not-for-profit, Section 8 Company to ensure higher accountability, flexibility, transparency,
with national/international validity. This will be set up on similar lines of the Indian Institute of Information Technology (IIIT), Hyderabad

Section 8 Company:
The objectives of IIIT, as a Section 8 Company will encompass innovation skill development in digital technologies, entrepreneurship, consulting, extension services, IP monetization, blended education, among others, thereby giving higher flexibility and freedom for diversification in future.

IIIT will launch two new programs in 2019 and increase its student intake for existing programs, with a projected student strength of 400 for the next 3 years. In addition, IIIT will be recruiting its own full-time faculty for carrying out research, teaching, content development, etc. In order to facilitate expansion and development of IIIT, necessary infrastructure such as an Academic Block, Centers of Excellence, Administrative Block, Recreation Block and Residential Block will be set up at the IIIT Campus.

In addition, IIIT has drafted a mentorship program involving industry experts from organizations such as Cisco, General Electric, Citibank, Mind Tree etc to act as guides not only at the course level, but also help students stay abreast with the latest technologies. IIIT will also forge strategic industry tie-ups for research as well as funding. The Institute will also enter into co-operation agreements with leading universities for offering joint programs, student & faculty exchange programs and other programs providing mutual benefits.
The State Government vide G.O.Rt.No.115 dated 08-08-2016 sanctioned an amount of INR 39.97 Cr over a period of three years starting 2016-17 until IIDT becomes self-sustaining. In order to expand operations, offer more courses, and build world class infrastructure, the Government has sanctioned the funding of Rs. 97.95 Cr towards the construction of Hostel blocks for fully residential and faculty quarters in next 2 years.

PRESS NOTE

Government have agreed for the Mission Plan of the Guntur Medical College Alumni of North America (GMCANA) for construction of New Maternal and Child Health Centre (MCH) (G+5) at Government General Hospital, Guntur with the collaboration of Government of Andhra Pradesh with an estimated total cost of Rs.65.00 Crores and approve the Memorandum of Understanding (MoU) vide G.O.Ms.No. 13, HM&FW (H2) Department, dated 23.02.2018,

2. The Collector & District Magistrate, Guntur, has forwarded certain proposals submitted by the President/General Secretary, GMCANA, Guntur for modification of the orders issued for construction of New Maternal and Child Health Centre (MCH) (G+5) at Government General Hospital, Guntur and requested the Government to consider the proposals by taking into consideration of the track record of GMCANA activities at Government General Hospital and Government Medical College, Guntur.

3. The proposed total Maternal and Child Health Centre (MCH) Project shall consist of Cellar + G+5 Structure with Obstetrics (300 Beds), Paediatrics (200 Beds), PICU (27 Beds), SICU (30 Beds), NICU (40 Beds), Faculty Rooms(30 No.), Conference Hall (300 persons) with a total plinth area of 25,046 Sqm (2,69,245 Sft.).

4. The Government of Andhra Pradesh shall construct the Cellar with G+1 floors and cost of construction of cellar with G+1 floors shall met from the original sanction amount of Rs.35.00 Crores (from NHM Rs.20.00 Crores + Rs.15 Crores from Government ) along with equipment cost (Rs.5.00 Crores.). The GMCANA shall construct the 2,3,4 & 5 Floors and cost of construction of 2,3,4 & 5 Floors shall met by the GMCANA from their contribution of 30.00 Crores.

5. The Government of Andhra Pradesh/GGH shall provide the site that is already designated to construct the MCH centre at GGH premises; GMCANA shall provide the Architectural and Structural plans for the entire Cellar and G+5 Floors for the MCH Building at GGH Guntur. The payment to the Architecture and other consultants in this regard shall be completely meet by the GMCANA. The designs and drawings submitted by the Architects shall be as per the guidelines followed in APMSIDC.
5. The construction of New Maternal and Child Health Centre (MCH) Cellar and 
(G+1) at Government General Hospital, Guntur shall be taken up by the Government 
Agency i.e., APMSIDC and 2,3,4 & 5 Floors shall be taken up by GMCANA. The quality of 
the work and material shall be monitored by APMSIDC Authorities at cost of 3.5% 
service charges for construction of 2,3,4 & 5 floors which will be taken up by the 
GMCANA.

7. GMCANA shall handover the building to the Government of Andhra Pradesh after 
the completion of the construction. GMCANA shall name various parts of the work that 
will be constructed in their scope executed by them for 2,3,4 & 5th floors.

8. GMCANA shall, on the completion of the Project, have no financial obligation for 
the upkeep, maintenance, staffing and utilization of the Maternal and Child Health 
Centre, GGH, while its members may continue to enhance the education activities of 
their Alma Mater in any way possible including paying, for any needed special 
equipment that helps provide excellent medical care.

(PRESS NOTE)

BACKWARD CLASSES WELFARE DEPARTMENT

Date of decision: 06.09.2018

Establishment of Andhra Pradesh State Arya Vysyas Welfare and Development Corporation under A.P.Cooperative Societies Act, 7 of 1964 – Structure of Managing Committee and Sanction of staff.

Decision:

- Government have allocated an amount of Rs. 30.00 Crores for the welfare of Vysyas for the financial year 2018-19.

- Arya vysaya community traditionally involved in trade and business. The economic strength of Vysya community is badly affected due to new trends retailing. With the advent of Globalization, may could not compete with multinational companies and big corporate and gradually lost their livelihoods in trade and business and forced to work as part time accountant(s) and workers in malls and other stores.

- With a view to ameliorate the sufferings of Vysyas community, Government have established the A.P. State Arya Vysyas Welfare and Development Corporation.

- Government approved to Establish Andhra Pradesh State Arya Vysyas Welfare and Development Corporation under A.P. Cooperative Societies Act, 7 of 1964 – Structure of Managing Committee and Sanction of staff.

(B.UDAYA LAKSHMI)
PRINCIPAL SECRETARY TO GOVERNMENT
